## *Ukulele - Experience the Joy!!!*

Let time-away and the secluded, serene beauty of Moloka'i facilitate a total and comprehensive experience in ukulele music training. Sessions will address ukulele music theory as it applies (very simply) to ukulele familiarization such as:

- Left and right hand techniques*
- Suggestions for effective instruction*
- Performance parameters*
- Program building*
- Effective practice strategies*
- Song selection*
- Choosing and caring for the instrument*
- Historical perspectives*
- Networking*

and any other facet of ukulele you'd like addressed.

## *How to Book a Retreat*
